

Livensa Living "Livensa Traveller" Promotion

Go on holiday and stay at any Livensa Living property in Spain or Portugal - and, if you like, bring a friend with you!

As a Livensa Living resident, we're offering you and a friend the opportunity to book a Livensa Living accommodation at special rates for up to 8 weeks per year, with a minimum stay of 3 days.

1. Validity period

The promotion is available from 1 June 2022.

2. Promotional rate

You can stay at Livensa Living accommodation in Spain or Portugal on a room-only basis (meals and other extras are not included):

- The resident must be up to date with payments at their main residence in order to qualify for the promotion.
- The resident and the friend will each individually sign a Housing Contract and its corresponding Code of Conduct.

7. Data protection

In accordance with current regulations on personal data protection, the participant (both the resident and their friend, according to the terms described in this document) in this promotion (the "Data Subject") is hereby informed that the personal data required to participate in this promotion will be processed by the entity with which the resident has established their contractual relationship, namely their main residence, to whom they will submit their application to participate in this promotion (the "Data Controller"). The Data Subject can consult the list of entities involved in Appendix I of Livensa Living's privacy policy (<https://landing.livensaliving.com/politica-de-privacidad/>).

For this reason, the Data Subject's data must be processed in order to carry out the established purposes; without it, it would not be possible to achieve them. The legitimate basis for the processing of the Data Subject's data for the purpose c) comes from the Controller's obligation to comply with the applicable legal provisions.

Likewise, they affirm that, if they directly provide their friend's personal data to participate in the promotion, they have provided said friend with the content of this document and, in particular, the content in this data protection clause.

In addition to sending the Data Subjects' data to the destination residences, as required to participate in the promotion, the personal data provided by the Data Subjects may be communicated to governmental entities when required by the same or in compliance with any obligation established in current legislation in force at any time, as well as to the leasing entities of the Data Subjects' destination residences to manage the promotion.

The personal data provided will be retained for as long as the contractual relationship with the Data Subject is in force. Once this relationship is terminated, where appropriate, it may be retained for the time required by applicable law and until the expiration of any liabilities arising from the same.
